## **Order**

on Supplemental Designation of  
Electronic Record

Date of Order: **6/22/21**

Trial Court Case Nos. **3PA-20-00568/569/570/571CI**

On 5/27/21, as part of this court's Order Regarding Public Defender Filings, Richard Green was directed to file a notice of supplemental designations of the electronic record if he believed additional designations were necessary. On 6/4/21, Mr. Green filed a supplemental designation of the electronic record for this appeal. An individual justice delegated to the Clerk of Court to look and identify relevant hearings in Mr. Green's supplemental designation.

After reviewing Mr. Green's supplemental designation, the Appellate Clerk's Office has identified the additional necessary hearings for the determination of this matter. **IT IS ORDERED** that the electronic record on appeal shall now include the audio of the 9/14/20, 11/25/20, 12/10/20, and 12/29/20 hearings in addition to the hearings listed in the Public Defender Agency's 5/24/21 designation of electronic record. The Appellate Court Records Office (ACRO) shall obtain the additional electronic record and shall distribute CDs of the additional electronic record to the parties when preparation of the trial court record is complete. Additionally, ACRO shall obtain audio

of the 11/30/20 sealed representation hearing, and the court will have access to this audio, if necessary, for the determination of this matter; the audio of this hearing will not be distributed to parties other than Mr. Green.

The remaining hearings that have been designated by Mr. Green are disallowed as they occurred in a separate child-in-need-of-aid proceeding (S-18046; 3PA-20-00151/152/153/154CN) and an other long-term domestic violence protective order proceeding (S-18080; 3PA-20-00594/595/596/597/598CI).

Any party may file an objection to the Clerk's designation of electronic record. Objections are due on or before **6/28/21**. Any objections will be submitted to an individual justice for consideration.
